

# Teste

Miguel Machado

The image shows a 3D CAD software interface with a light blue background and a dark grid. A central crosshair is formed by a blue vertical line, a red horizontal line, and a green diagonal line. A white square cursor is positioned at the intersection. A dark grey menu is open, listing several options. The first option, 'SUBTRACT', is highlighted with a blue bar. To the right of the menu, a white tooltip box contains a yellow icon and the text 'SUBTRACT' and 'Press F1 for more help'.
